Sir:

PETITION TO REVIVE UNDER 37 C.F.R. §1.137(b)

Pursuant to 37 C.F.R. §1.137(b), we respectfully petition the Commissioner to revive the above-referenced patent application, which was unintentionally abandoned for failure to respond in a timely manner to the Board of Patent Appeals and Interferences (BPAI) decision *Ex parte* Gary T. Ketchum dated December 10, 2004. The entire delay of the filing of the response from the due date for the response until the filing of a grantable petition pursuant to 37 C.F.R. §1.137(b), was unintentional.

A check for \$750 is enclosed to cover the Petition Fee. Please charge any additional fees that may be required by this paper to our Deposit Account No. 03-1237.

Please note that the Power of Attorney has been revoked and the attorneys associated with Customer No. 24267 have been appointed by a Revocation and New Power of Attorney document filed herewith. Accordingly, all future correspondence should be addressed to the undersigned.

A Petition to Reopen Prosecution, a Request for Continued Examination and a Preliminary Amendment were filed on July 15, 2005, and we hereby request that the earlier-filed Petition and Request be favorably acted upon once the application is revived.

Respectfully submitted,

Patricia A. Sheehan
